Columbus State has frequent occasion to illustrate and explain its program and activities for volunteer/participant recruitment, fund-raising, enhancing community awareness, news releases, brochures, reports, etc. Toward these efforts it is most beneficial to use photographs and/or video of our friends/participants. By signing this waiver I give CSU and the Board of Regents permission to use my image in any of these materials deemed necessary for the sole purpose of marketing and promotion of the school/future event. However, we would never intentionally offend our friends/supporters by doing these things without their understanding and consent. Should you feel uncomfortable allowing us to use you or your child's image in our promotional material, please check the box below.

I would like to opt out of using my image or my child's image in marketing/promotional materials for Oxbow Meadows and/or CSU.
